Dr Kadambot Siddique (UWA) Visited TAAS

Dr Kadambot Siddique, Hackett Professor of Agriculture and Director of The UWA Institute of Agriculture at the University of Western Australia (UWA), recently visited the TAAS office. Dr R.S. Paroda, Chairman of TAAS, extended a warm welcome to Dr Siddique. The discussion, which also included Dr Anupama Singh, Dean of IARI, focused on future collaboration opportunities aimed at promoting excellence in the IARI Graduate School.

Dr Siddique was also briefed about the upcoming Global Conference on Women in Agri-Food Systems (GCWAS), scheduled for

March 12-14, 2025, in New Delhi. Dr Kadambot assured to extend full cooperation to mobilize the participation of global women performers, farmers, and students from Australia and Africa for the conference.
