

**Meeting of the Selection Committee for the Dr Norman E Borlaug Innovative Farmer Award, instituted by TAAS, held**

A meeting of the Selection Committee for the **Dr Norman E Borlaug Innovative Farmer Award** was convened to evaluate the applications received for the above award. The innovation is not only original and sustainable but also possesses immense potential for widespread adoption, thereby promising a significant positive change in the livelihoods of a large number of farmers. The work truly embodies the spirit of scientific temper and relentless pursuit of excellence that Dr Borlaug championed.

The committee was tasked with assessing the impact, sustainability, and scalability of the innovations presented by the applicants.

The following members of the Selection Committee were present for the meeting and deliberations:

1. Prof. RB Singh - Chairman
2. Dr Gurbachan Singh – Member
3. Dr A K Singh - Member
4. Dr K M L Pathak - Member
5. Dr Malavika Dadlani - Member
6. Dr Bhag Mal - Member
7. Dr R K Tyagi - Member Secretary
